Dear Friends,

The Foundation for International Mental Health and Rehabilitation is a 501(c)3 not-for-profit organization based in Illinois. Our mission is to raise awareness of the social significance of mental health and facilitate access to services in areas of the world that don't have a strong tradition of mental health.

FIMHR cordially invites you to a summer party and fundraiser event on Saturday, July 19, 2014 at 6:00 p.m. This exciting event will be located at 695 Plum Tree Road, Barrington Hills, Illinois. This is a charitable event that will help to support a medical mission on aging to the Philippines in 2015.

We would like to invite you to please help FIMHR realize its goals through your generous support by attending this entertaining event and being one of our sponsors. By being one of our sponsors you will receive placement in our event program and grateful acknowledgement at our party. More importantly you will be an integral part in helping our foundation fulfill its important work.

Please accept our sincere gratitude for your support.
